Aldbury Parish Council Publication Scheme

1. Introduction

Under the Freedom of Information Act (FOIA) it is the duty of every public authority to adopt and maintain a publication scheme.

Aldbury Parish Council has adopted the model publication scheme prepared and approved by the Information Commissioner.

The Publication Scheme is a list of information that Aldbury Parish Council will automatically and routinely publish or otherwise make available to the public.

Information that is not listed in this document can still be requested and it will be made available unless it can legitimately be withheld. This may be done by making a written request to the Parish Clerk who will reply within fourteen working days.

Further information on the FOIA and the model publication scheme is available from the Information Commissioner's Office at <u>https://ico.org.uk/for-organisations/guide-to-freedom-of-information/publication-scheme/</u>.
